SONOMA CANOPY TOURS

Zip the Redwoods!

*Experience the Redwoods from a completely new perspective.*

**Created as a way to perform scientific research** in remote jungles and other previously inaccessible places, ziplines let gravity do the work. Meanwhile, you'll be flying from tree to tree and enjoying the forest's breathtaking views, ancient Redwood trees, deep ravines, and crystal clear creeks.

As one of the longest and highest canopy tours ever created, Sonoma Canopy Tours features 2½ hours of thrills, 7 adrenaline-pumping ziplines—one over 800' long, 2 sky bridges with picturesque views, a majestic spiral staircase, and a rappel. It's the adventure of a lifetime leaving you with a renewed appreciation for our one and only planet.

*Around the world — and now, in California.*

From Costa Rica to Australia, tour groups and adventurous families—of multiple generations—are discovering the fun and exhilaration of ziplining.

**Now, it's your turn. Come experience California's Coastal Redwoods as few ever have: from high in the tallest trees.**

**Our Pledge:** For every canopy tour booked, a dollar will be donated to fund an outdoor adventure for at-risk youth.
